Dear Provost Tedder:

At its October 24-25, 2025, meeting, the Board of Directors of the National Architecture Accreditation Board (NAAB) reviewed the following document(s) from the Bachelor of Architecture degree (150 semester credit hours) program at Florida Southern College:

- Application for Eligibility for Candidacy

After a review of the program's Application, the Board voted to accept the B.Arch. program as Eligible for Candidacy. The program is required to submit an Architecture Program Report – Initial Candidacy (APR-IC) by March 1, 2026, to NAAB at accreditation@naab.org. As the program is developing its APR-IC, it must address all Conditions and sub-conditions.

A visit for initial candidacy will be scheduled for fall 2026. This will be conducted under the provisions of the *2020 NAAB Conditions for Accreditation* and the *2020 NAAB Procedures for Accreditation*.

If you have any questions, please contact the NAAB office at accreditation@naab.org.

Sincerely,

Jeffrey L. Day, FAIA, NCARB
President
