WELCOME TO
**FLORIDA
SOUTHERN
COLLEGE**

As the Director of Adult and Graduate Admission, I want to personally thank you for considering Florida Southern College for your higher education. You'll be impressed by the flexibility of our adult undergraduate programs, as well as the personalized support and generous resources we offer our students.

These programs were designed to meet the needs of busy professionals like you, with classes conveniently scheduled in the evenings, online, and on weekends. And we offer a variety of scholarships, loans, and grants to help make your education more affordable. In fact, 98% of our students receive financial aid.

Once you've explored the enclosed material, please reach out to your Admission Counselor to find out more about what Florida Southern College can do for your future.

We look forward to hearing from you.

Sincerely,

Kristen Pinner '08, MBA '12

OUR PROGRAMS

Bachelor of Science in Accounting

Let FSC's accounting degree mark the beginning of your success story. Our expertly designed curriculum will help you master a broad range of skills that will make you more competitive after you graduate. You'll be exposed to a variety of accounting fields, including financial, tax, cost/managerial, auditing, information systems, and forensics. You'll also gain invaluable experience in the broader business environment while learning how it is impacted by accounting procedures. Completion of this degree prepares you to seek a CPA Licensure Certificate as a fifth-year accounting student or to apply to our Masters of Accountancy (MAcc) program.

Bachelor of Science in Business Administration

This degree will help you build a solid foundation of key business principles. In addition to practical business applications, the curriculum emphasizes civic and social responsibility. You will also have opportunities for collaborative research with one of our many accomplished faculty members. This program produces effective communicators who are competent in the practical applications of current technology, while preparing students for leadership roles in their profession and in the greater community. Completion of this degree prepares you to apply to our Master of Business Administration program or, once 93 undergraduate credit hours are earned, you can apply to FSC's 4+1 MBA program to begin graduate-level courses prior to obtaining your undergraduate degree.

Bachelor of Science in Communication

This versatile degree with a concentration in Interpersonal and Organizational Communication will help you become a leader in a variety of professions. You will not only learn how to effectively communicate across diverse populations, but you will also learn how to conduct extensive research, create case studies, and master communication theories. In addition to helping you advance your career, this program will prepare you for professional and graduate programs in a variety of fields, specifically Florida Southern's Master of Business Administration or Master of Science in Industrial and Organizational Psychology.

Bachelor of Science in Elementary Education

FSC's Elementary Education degree has all the tools you need to make an impact as an educator. Our curriculum includes the latest pedagogies and time-tested best practices, as well as full access to SMART technologies. Because education majors are required to pass all three Florida teacher certification exams, you will be immediately eligible for your teaching certificate as soon as you graduate. Completion of this degree prepares you to apply to our Master of Education program or, once 93 undergraduate credit hours are earned, you can apply to FSC's 4+1 MEd program to begin graduate-level courses prior to obtaining your undergraduate degree.

The Barney Barnett School of Business and Free Enterprise at Florida Southern College has taken its place among the most respected university business schools in the world by earning accreditation from AACSB International — The Association to Advance Collegiate Schools of Business. This accreditation helps enable our graduates to land jobs at top firms.

SUPPORT FOR SUCCESS

Life is hectic, but we believe nothing should stop you from earning your degree. That's why we designed our adult undergraduate programs with built-in support to help you succeed.

Accelerated Program

Adult undergraduate programs are offered in flexible, 7-week terms that begin six times a year, allowing you to start your degree whenever you choose. You can complete your degree at a pace that fits your lifestyle, with the ability to complete up to 12 classes (48 credit hours) per year.

Expert Faculty

Our elite faculty consists of instructors who are top executives, experts in their fields, and proven leaders. They are attentive, available, and committed to your success.

Small Classes

A 15:1 student-faculty ratio gives you one-on-one attention and allows you to learn in small group settings.

Academic Advisor

From the moment you are accepted, you are assigned an academic advisor to see you through your experience from start to finish. This advisor will help you develop a customizable roadmap to graduation, creating personalized course schedules that are specific to your needs.

65%

Individuals with a bachelor's degree earn 65 percent more on average than those without a degree.

Convenient Schedules

Classes are offered in an evening, weekend, online, or hybrid format (a blend of online and face-to-face).

State-of-the-Art Facilities

Our campus is continually expanding with modern facilities. The Bill and Mary Ann Becker Business Building features an impressive array of technological advances, such as color touch panels in every classroom and a market-research observation room. Our most recent building is the Curry Education Center, which houses all education degree programs.

“

TYANNA MCKIE-WILLIAMS
B.S. IN BUSINESS ADMINISTRATION

As a result of the various business courses offered, the program has opened up opportunities in areas such as supervision, special projects handling, training opportunities, and leadership roles.

”

Tiyanna Mckie-Williams

As a full-time mother, wife, and supervisor of a Fortune 500 company, Tiyanna needed an undergraduate program that offered flexibility and convenience. Her goal was to advance her career through courses that were offered around her schedule. The hybrid and online classes gave her exactly what she needed to enhance her professional career and excel in her performance.

FINANCIAL AID

We have a dedicated financial aid representative who assists our adult undergraduate students in determining their financial aid eligibility through merit-based aid, specifically the Florida Bright Futures Scholarship, grants, and federal loans. Almost any student, regardless of income, can qualify for assistance.

Federal and State Aid Programs

Florida Southern participates in all major federal and many state-based programs based upon financial need.

Effective Access to Student Education (EASE)

This program provides tuition assistance to students who are Florida residents attending private, non-profit colleges, and universities within the state.

Bright Futures Scholarship Program

Funded by the Florida lottery, this merit-based program offers two award categories — each with distinct criteria and various scholarship amounts.

Loans and Grants

Loans and grants are a form of need-based aid, which means they are distributed based on financial need as determined by the Free Application for Federal Student Aid (FAFSA).

A WEALTH OF RESOURCES AND AMENITIES

Adult undergraduate students at FSC get the full college experience, with open access to our state-of-the-art facilities and student services. This includes free admission to campus events, such as games, art exhibits, and theater productions.

Career Center

Finding a great job after graduation is no small task, but our Career Center can take the stress out of your search. Think of it as the bridge between your education and your future.

Our advisors will help you find internships, volunteer positions, and job openings that fit your education and skillset. They'll help you sharpen your interview skills, fine-tune your résumé, and develop important job search skills. All Florida Southern students get lifetime access to the Career Center — you can always turn to us for help!

Computers

The Marshall and Vera Lea Rinker Technology Center offers students a place to complete coursework, print documents, and collaborate for school projects.

Campus Security

We have a dedicated and responsive staff of security officers to ensure the well-being of all of our students. Our officers patrol by bike, vehicle, and foot 24 hours a day, 365 days a year. Text alerts warn students about emergencies in and around campus.

Nina B. Hollis Wellness Center

Our large fitness center has everything you need to stay healthy — a gymnasium, a 25-yard competition pool, group fitness classes, and more! We even offer free lifestyle coaching and nutritional programs.

Roux Library

Our library offers a comprehensive range of research and information resources, along with dedicated staff to assist you.

Student Solutions

Here you'll find support for everything, from academic and transition support to classroom strategies, test preparation, and tutoring.

Tech Buddies

Having trouble accessing something online? Coping with a hard drive crash? The tech buddies are dedicated to helping you with any technology questions or issues.

Fine Arts

Continuing a tradition of more than fifty years, the Festival of Fine Arts features a series of vibrant events showcasing the arts. Whether it be music, dance, theatre, or art — there is something for everyone.

“We have recently expanded our Career Center office hours on Tuesday nights until 7:00pm. In addition, we also host many of our events after 5:00pm to serve our adult population.”

- *Melissa Kulp, Executive Director of Career & Continuing Education*
