

ACCELERATED MAcc AGREEMENT FORM

Eligible currently enrolled undergraduate accounting students at FSC are able to take advantage of one of our two accelerated Master of Accountancy (MAcc) options. After earning 93 undergraduate credit hours and achieving senior status, eligible students can start graduate coursework. These programs are designed for the traditional undergraduate population. Students enrolled in the adult accounting program are not eligible. Please initial both options below to indicate your understanding of both accelerated programs available to you.

EARLY MACC

The Early MAcc program allows students to graduate with their bachelor's degree and master's degree on the same day. The traditional progression includes 5 full years of undergraduate study. The entire program is billed at the undergraduate rate, and students are eligible for undergraduate aid* all 5 years.

**Federal and state aid limitations may apply. Prestige scholarships are only eligible for 4 years. Athletic and departmental scholarships are contingent upon the approval from respective departments.*

I understand the terms and conditions of the Early MAcc program.

Initial _____

4+1 MACC

The 4+1 MAcc program allows students to schedule a maximum of 12 graduate credit hours billed at the undergraduate rate while earning a bachelor's degree, which may be necessary to gain employment. After completing up to 12 graduate credit hours, students should plan to graduate with their bachelor's degree as scheduled. Upon obtaining the bachelors, the student enters the graduate division for billing. They may then continue to work toward their master's degree, which typically takes another year to complete. After earning the bachelor's degree, the remaining hours are billed at the graduate rate. Institutional aid is not available in the graduate division.

I understand the terms and conditions of the 4+1 MAcc program.

Initial _____

Please Check the Appropriate Box for Enrollment Intent

I understand all terms and conditions of the two accelerated MAcc programs. In full knowledge of my options, I would like to pursue the:

Early MAcc Program

I will work with my advisor to add an additional year of undergraduate coursework, and graduate with my bachelors and masters on the same day.

4+1 MAcc Program

I will work with my advisor to schedule no more than 12 graduate credit hours while pursuing my bachelor's degree.

Failure to Commit

I also understand that any request to change my enrollment intent above must be submitted in writing to the Director of the MAcc program and is not guaranteed approval. I understand that I will be billed as an undergraduate student until I earn my bachelor's degree and billed at the graduate rate after attaining my bachelor's degree. I also understand that it is my responsibility to contact and coordinate with the financial aid office regarding changes to billing and my financial aid package.

I understand the terms and conditions of switching programs.
